

The background is a light beige textured surface. It features several abstract green shapes: a large teardrop-like shape in the top left, a curved shape in the top right, a large irregular shape in the bottom left, and a smaller irregular shape in the bottom right. A cluster of small black dots is located in the bottom right area.

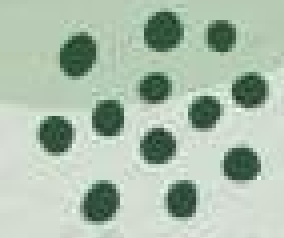

# **mindful**: AI Innovations in Education for Neurodiverse Learners

# Personalized education for Neurodiverse students

# mindful

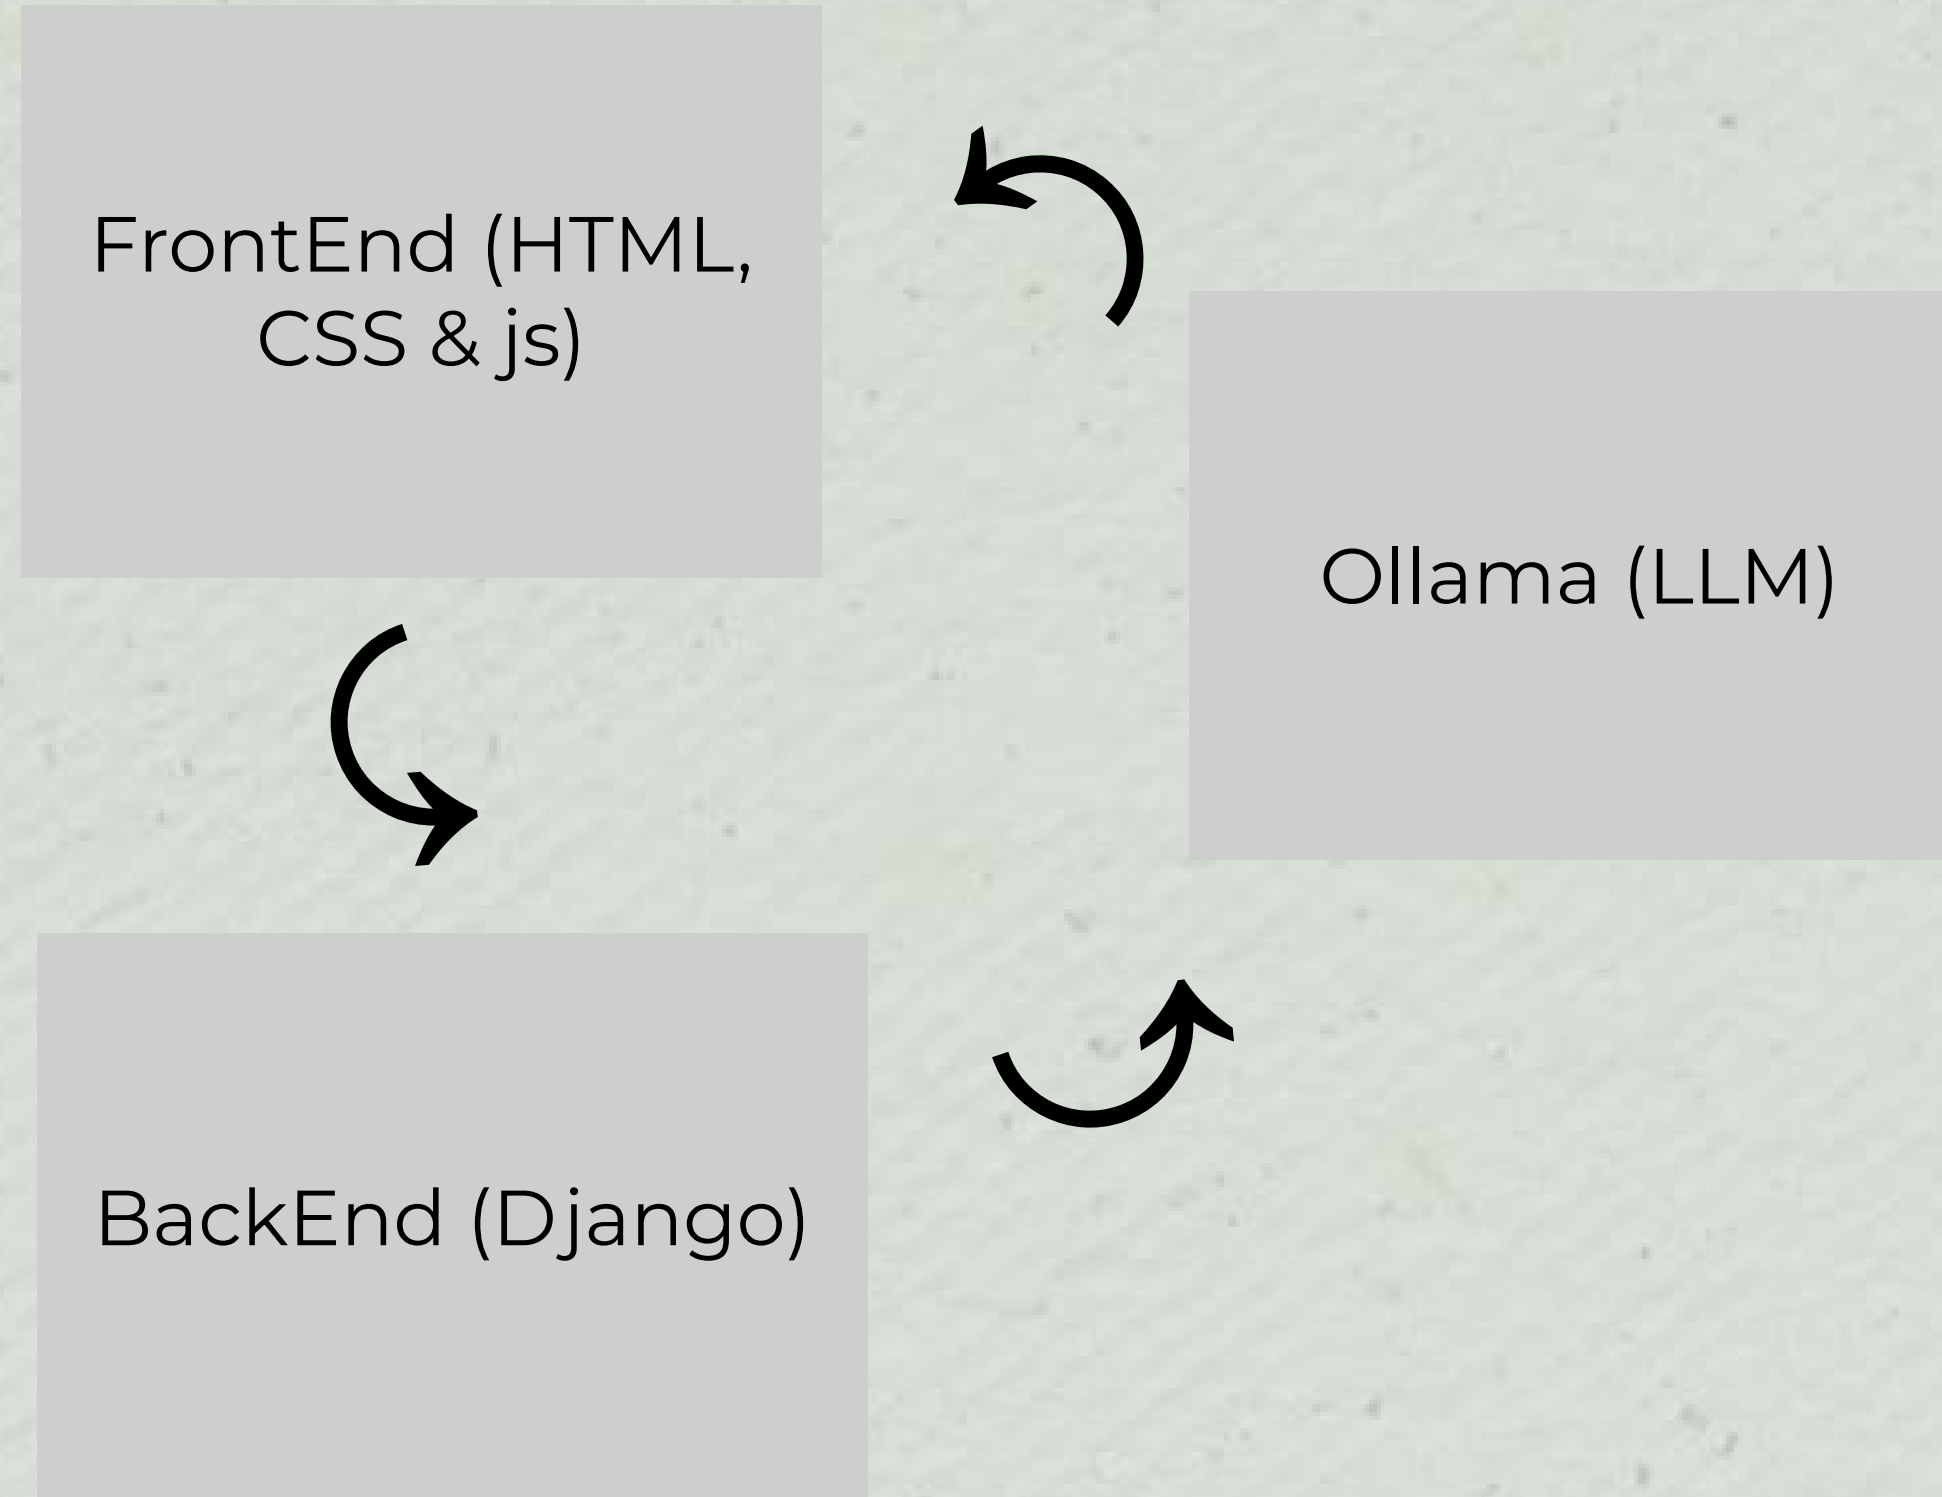

# Justification

Needs of the mentally challenged students are not fulfilled so we chosen this project to satisfy that !

# Architecture

# Video Demo

The background is a light green, textured surface. In the corners, there are abstract green shapes: a leaf-like shape in the top-left, a teardrop shape in the top-right, and a cluster of small dots in the bottom-left. A thin, wavy line extends from the teardrop shape in the top-right towards the center.

**Thanks!**
